

JP920030160US1

REMARKS

This Preliminary Amendment leaves claims 1-10 and 12-28 pending in the present application. Moreover, the newly added claims do not narrow or broaden the scope of the claims for patentability purposes. Rather, they are made to overcome semantic and grammatical errors and to provide proper antecedent basis for the language. Early and favorable prosecution on the merits is respectfully requested.

Please charge any deficiencies in fees and credit any overpayment of fees to Attorney's Deposit Account No. 09-0441.

Respectfully submitted,
